Dear Litigation Claim Participant,

**FY22 – Confirmation of nil distribution**

The purpose of this update is to confirm that no proceeds were received during the year ended 30 June 2022 and consequently, the Claim Committee, which has the general responsibility of managing the Litigation Claim, has not approved a distribution for the year ended 30 June 2022.

As at 30 June 2022 the trust had approximately \$719,647 not taking into account some items to be paid including legal fees and trustee fees. As at that time the trustee was involved in legal proceedings to verify the amounts paid to the trust and accordingly we cannot accurately provide any guidance as to the value of your rights at that time.

Since that time these proceedings have settled, and it is now envisaged that a final distribution will be made to all Litigation Claim Participants on or before 30 November 2022.
