Directors' report

The directors of One Managed Investment Funds Limited (ABN: 47 117 400 987) ("OMIFL" or the "Responsible Entity"), the Responsible Entity of Euree Multi Asset Growth Fund (ARSN 669 661 652) (the "Fund"), submit their report together with the financial statements for the Fund for the period from 16 August 2023 to 30 June 2024.

Responsible Entity

The responsible entity of the Fund is One Managed Investment Fund Limited OMIFL.

The registered office and principal place of business of the responsible entity is Level 16, Governor Macquarie Tower, 1 Farrer Place, Sydney 2000

Directors

The names of the directors and company secretaries of the responsible entity, during the financial year and up to the date of this report are:

Name	Title
Frank Tearle	Executive Director
Sarah Wiesener	Executive Director & Company Secretary
Michael Sutherland	Excutive Director

Investment manager

The investment manager of the Fund is Euree Asset Management Pty Ltd (ABN 40 665 390 241) .

The principal place of business of the Manager is Level 8, 525 Flinders Street, Melbourne VIC 3000.

Principal activities

The Fund is a registered managed investment scheme, domiciled in Australia. The Fund was constituted on 12 July 2023, registered on 24 July 2023 and commenced operations on 16 August 2023.

The principal activity of the Fund during the year was to invest in accordance with the provisions of the Fund's Constitution dated 12 July 2023 , and most recent Product Disclosure Statement dated 11 August 2023.

The Fund's investment objective is to invest in a mixture of asset classes to form a multi-asset portfolio with the aim to achieve a return that exceeds CPI by 4% per annum over rolling seven year periods net of fees and costs.

Review of operations

Results

The results of the operations of the Fund are disclosed in the Statement of Profit or Loss and Other Comprehensive Income of the financial statements. The net gain attributable to unitholders for the financial period ended 30 June 2024 was \$2,646,687.

Distributions

In respect of the financial period ended 30 June 2024, a distribution of \$1,303,952 was declared to of which \$1,258,260 was payable to unitholders as at 30 June 2024.

Directors' report (continued)

Value of Assets and Units Issued

The total value of assets at 30 June 2024 was \$44,133,678. The total number of units on issue as at 30 June 2024 was 39,578,528.

Material Changes in state of affairs

There were no material changes in the state of affairs in the Fund during the financial period ended 30 June 2024.

Subsequent Events

There has been no matter or circumstances occurring subsequent to the end of the year that has materially affected, or may materially affect the operations of the Fund, the results of those operations, or the state of affairs of the Fund in future financial years.

Likely developments and expected results of operations

The Fund will continue to be managed in accordance with the Constitution and investment objectives as detailed in its most recent Product Disclosure Statement, dated 11 August 2023.

Indemnification of Directors, Officers and Auditors

During or since the financial period, the Fund has not indemnified or made a relevant agreement to indemnify an officer of the Responsible Entity or auditor of the Fund or any related corporate body against a liability incurred by an officer of the Responsible Entity or auditor of the Fund. In addition, the Fund has not paid, or agreed to pay, a premium in respect of a contract insuring against a liability incurred by an officer of the Responsible Entity or auditor of the Fund.

Rounding of amounts to the nearest thousand dollars

Amounts in the directors' report have been rounded to the nearest dollar in accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise indicated.

Auditor

Ernst & Young was appointed as auditor of the Fund in accordance with Section 327 of the *Corporations Act 2001*.

Auditor's Independence Declaration

A copy of the Auditor's Independence Declaration as required under section 307C of the *Corporations Act 2001* is set out on page 7.

Directors' report (continued)

On behalf of the directors of the Responsible Entity, One Managed Investment Funds Limited.

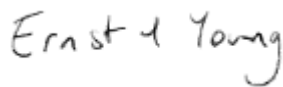

A handwritten signature in black ink, appearing to read 'Frank Tearle', written in a cursive style.

25 September 2024

Auditor's independence declaration to the directors of One Managed Investment Funds Limited as Responsible Entity for Euree Multi-Asset Growth Fund

As lead auditor for the audit of the financial report of Bateau Global Opportunities Fund for the financial year ended 30 June 2024, I declare to the best of my knowledge and belief, there have been:

- a. No contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit;
- b. No contraventions of any applicable code of professional conduct in relation to the audit; and
- c. No non-audit services provided that contravene any applicable code of professional conduct in relation to the audit.

Ernst & Young

Rohit Khanna
Partner
25 September 2024

Directors' declaration

In the opinion of the directors of the Responsible Entity:

- (a) the financial statements and notes set out on pages 7 to 26 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Fund's financial position as at 30 June 2024 and of its performance for the financial period from 16 August 2023 to 30 June 2024.
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable, and
- (c) Note 3(a) confirms that the financial statements also comply with the International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the directors of One Managed Investment Funds Limited through a delegated authority given by One Managed Investment Funds Limited's Board.

Frank Tearle
Executive Director

Cash and cash equivalents at the end of the period	8(a)	2,509,075
Non-cash financing activities - Distribution reinvestment		263

The above Statement of Cash Flows should be read in conjunction with the accompanying notes.

1. General information

The Fund is registered as a managed investment scheme.

The Responsible Entity of the Fund is One Managed Investment Funds (ABN 47 117 400 987; AFSL) (the "Responsible Entity"). The Responsible Entity registered office is Level 16, Governor Macquarie Tower, 1 Farrer Place, Sydney, 2000.

The Fund was constituted on 12 July 2023, registered on 24 July 2023 and commenced operations on 16 August 2023.

The financial statements were authorised for issue by the directors on the date the Directors' Declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

The principal activity of the Fund is disclosed in the Directors' Report.

2. Adoption of New and Revised Accounting Standards

New or amended Accounting Standard and Interpretations adopted in the current period

The Fund has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any material impact on the financial performance or position of the Fund.

3. Material accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Accounting Standards Board and the *Corporations Act 2001* in Australia. The Fund is a for-profit entity for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. All balances are expected to be recovered or settled within 12 months, except for investments in financial assets and net assets attributable to unitholders.

The Fund manages financial assets at fair value through profit or loss based on the economic circumstances at any given point in time, as well as to meet any liquidity requirements. As such, it is expected that a portion of the portfolio will be realised within 12 months, however, an estimate of that amount cannot be determined as at balance date.

In the case of net assets attributable to unitholders, the units are redeemed on demand at the unitholder's option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within 12 months cannot be reliably determined.

All amounts are presented in Australian dollars as the functional and presentational currency of the Fund.

3. Material accounting policies (continued)

(a) Basis of preparation (continued)

(i) Compliance with International Financial Reporting Standards

The financial statements of the Fund also comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

(b) Going concern basis

The financial report has been prepared on a going concern basis.

(c) Revenue and income recognition

Revenue

Revenue is recognised and measured at the fair value of the consideration received or receivable to the extent that it is probable that the economic benefits will flow to the Fund and the revenue can be reliably measured. Changes in fair value of financial assets and liabilities are recognised in profit or loss in the year in which the changes occur.

Distributions

Distributions from investments are recognised when the right to receive the payment is established.

Dividends

Dividend income is recognised on the ex-dividend date.

Interest Income

Interest income is recognised as interest accrued using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other Income

Other revenue is recognised when it is received or when the right to receive payment is established.

(d) Expenses

All expenses, including Responsible Entity and Investment Manager fees, are recognised in the Statement of Profit or Loss and Other Comprehensive Income on an accruals basis.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and cash balances held with financial institutions.

(f) Taxation

Under current legislation, the Fund is not subject to income tax provided that the unitholders are presently entitled to the income of the Fund and that the Fund entirely distributes its taxable income.

3. Material accounting policies (continued)***(g) Distributions***

In accordance with the Product Disclosure Statement, the Fund intends to pay income distributions quarterly. An income distribution comprises the Investor's shares of any net income earned by the Fund and determined to be distributable by the Responsible Entity. Where a distribution is made, the entitlement to income in respect of the class for a distribution period is the entitlement of the class for the period divided by the number of units of the class on issue as at the relevant distribution date. Distributions will generally be paid within 20 Business Days after the end of the Distribution Period or when possible following the winding up of the Fund.

Distributable income includes capital gains arising from the disposal of investments. Unrealised gains or losses on investments that are recognised in the Statement of Profit or Loss and Other Comprehensive Income are not distributed until realised. Capital losses are not distributed to unitholders and are retained to be offset against future realised capital gains.

(h) Payables

Trade and other payables are recognised when the Fund becomes obliged to make future payments resulting from the purchase of goods and services.

(i) Due to/from broker

Amounts due to/from brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet delivered by period end. Trades are recorded on trade date, and are normally settled within 1 to 2 business days for the listed investments and up to 3 weeks for the unlisted investments. A provision for impairment of amounts due from brokers is established when there is objective evidence that the Fund will not be able to collect all amounts due from the relevant broker. Indicators that the amount due from brokers is impaired include significant difficulties of the broker, and the probability that the broker will enter into bankruptcy or financial reorganisation and default in payments.

(j) Receivables

Receivables may include amounts for dividends, interest, and securities sold where settlement has not yet occurred. Dividends are accrued when the right to receive payment is established. Interest is accrued in accordance with the method outlined in note 3(c). Amounts are generally received within 30 days of being recorded as receivables.

(k) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

(l) Net assets attributable to unitholders

Units are redeemable at the unitholders' option, however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders.

The units can be put back to the Fund at any time for cash based on the redemption price. The fair value of redeemable units is measured at the redemption amount that is payable (based on the redemption unit price) at the end of the reporting period if unitholders exercised their right to redeem units in the Fund.

3. Material accounting policies (continued)

(l) Net assets attributable to unitholders (continued)

Units are classified as equity when they satisfy the following criteria under *AASB 132 Financial instruments*:

Presentation:

- the puttable financial instrument entitles the holder to a pro-rata share of net assets in the event of the Fund's liquidation
- the puttable financial instrument is in the class of instruments that is subordinate to all other classes of instruments and class features are identical
- the puttable financial instrument does not include any contractual obligations to deliver cash or another financial asset, or to exchange financial instruments with another entity under potentially unfavourable conditions to the Fund, and it is not a contract settled in the Fund's own equity instruments; and
- the total expected cash flows attributable to the puttable financial instrument over the life are based substantially on the profit or loss.

(m) Critical accounting judgements and key sources of estimation uncertainty

Management has adhered to the Fund's unit pricing policy which sets out the basis upon which the units of the Fund have been valued, a copy of which is available upon request.

In the application of the accounting policies, management is required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The assumptions and methods used in the determination of the value of investments are outlined in Note 4 of these financial statements.

(n) Goods and services tax ("GST")

Revenues, expenses and assets are recognised net of the amount of GST except:

- Where the amount of GST is not recoverable from the taxation authority, it is recognised as part of acquisition of an asset or part of an item of expense; or
- For receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the tax authority is included as part of receivables or payables. Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

4. Financial risk management

The Fund's activities expose it to a variety of financial risks: market risk (including price risk, currency risk, and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management program focuses on ensuring compliance with the Fund's Product Disclosure Statement and the law, and seeks to maximise the returns derived for the level of risk to which the Fund is exposed.

Financial risk management is carried out by the Investment Manager.

(a) Market risk

Market risk is the risk that the fair value of future cash flows will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices liquidity. Market risk is managed and monitored on an ongoing basis by the Investment Manager.

(i) Price risk

Price risk is the risk that the fair value of investments decreases as a result of changes in market prices (other than those arising from interest rate risk), whether those changes are caused by factors specific to the individual stock or factors affecting all instruments in the market. Price risk is managed by monitoring compliance with established investment mandate limits. All securities present a risk of loss of capital. The maximum risk resulting from financial instruments is determined by the fair value of the financial instruments.

The Fund is exposed to equity securities and unlisted investment funds price risk. This arises from investments held by the Fund for which prices in the future are uncertain. Investments are classified in the Statement of Financial Position as at fair value through profit or loss. All securities investments present a risk of loss of capital. Except for equities sold short, the maximum risk resulting from financial instruments is determined by the fair value of the financial instruments. Possible losses from equities sold short can be unlimited.

A sensitivity analysis was performed showing how the effect of a 10% increase and a 10% decrease in market prices would have increased/decreased the impact on operating profit/net assets attributable to unitholders as at 30 June 2024. A positive 10% sensitivity would have had an impact on the Fund's operating profit and net assets attributable to unit holders of \$4,044,737. A negative sensitivity would have an equal but opposite impact.

(ii) Currency risk

Currency risk arises as the value of monetary securities denominated in other currencies will fluctuate due to changes in exchange rates.

The Fund has no financial assets and liabilities denominated in other currencies and held nearly all its financial instruments in Australian dollars. Exposure to foreign exchange risk is considered to be nil and no sensitivity analysis was performed.

Euree Multi Asset Growth Fund

Note to the financial statements

4. Financial risk management (continued)

(a) Market risk (continued)

(iii) Cashflow and fair value interest risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates.

There is no significant direct interest rate risk in the Fund as the Fund does not directly hold interest rate sensitive financial instruments. The interest rates on deposits at bank and on bank overdrafts are both referenced to RBA cash rate. However, it may also be indirectly affected by the impact of interest rate changes on the earnings of certain companies in which the Fund invests and impact on the valuation of certain assets that use interest rates as input in their valuation model.

The following table summarises the Fund's exposure to interest rate risks. It includes the Fund's assets and liabilities at fair value, categorised by the earlier of contractual repricing or maturity dates.

	Floating interest rate \$	Non- interest bearing \$	Total \$
30 June 2024			
Assets			
Cash and cash equivalents	2,509,075	-	2,509,075
Other assets	-	1,177,234	1,177,234
Financial assets at fair value through profit or loss	-	40,447,369	40,447,369
Total assets	2,509,075	41,624,603	44,133,678
Liabilities			
Management fees payable	-	34,570	34,570
Performance fees payable	-	89,968	89,968
Redemption Payable	-	63,654	63,654
Distributions payable	-	1,258,260	1,258,260
Total liabilities	-	1,446,452	1,446,452
Net exposure	2,509,075	40,178,151	42,687,226

(b) Summarised sensitivity analysis

The reasonably possible movements in the risk variables have been determined based on management's best estimate, having regard to a number of factors, including historical levels of changes in interest rates, foreign exchange rates and historical market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors, including unusually large market shocks resulting from changes in the performance of and/or correlation between the performance of the economies, markets and securities in which the Fund invests. As a result, historic variations in risk variables should not be used to predict future variations in the risk variables.

4. Financial risk management (continued)**(c) Credit risk**

The Fund is exposed to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when they fall due.

The main concentration of credit risk to which the Fund is exposed arises from cash and cash equivalents. Credit risk is mitigated on the basis that the Fund only holds cash with an Australian bank that is an ADI.

An analysis of the Fund's cash and cash equivalents by counterparty is disclosed in the following table:

	30 June 2024
	\$
AA-	2,509,075
	2,509,075

(d) Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The risk that an investment made by the Fund may not be easily converted into cash with little or no loss of capital and minimum delay. This may cause a delay or freeze in processing withdrawal requests.

In order to control the liquidity risk associated with its investments, the Fund conducts its investing activities in accordance with agreed investment guidelines.

The Fund invests in managed investment schemes. Investment in managed investment schemes exposes the Fund to the risk that the Responsible Entity of the trust may be unwilling or unable to fulfil daily redemption requests within the time frame required by the Fund. At 30 June 2024, there were no financial assets at fair value through profit or loss where the Responsible Entity has suspended redemptions due to a lack of liquidity in its underlying funds.

Euree Multi Asset Growth Fund

Note to the financial statements

4. Financial risk management (continued)

(d) Liquidity risk (continued)

The table below analyses the Fund's non-derivative financial liabilities into relevant maturity groupings based on the remaining period at the end of the reporting period. The amounts in the table are the contractual undiscounted cash flows.

	On demand	< 1 month	1-3 months	6-12 months	> 12 months	Total
30 June 2024	\$	\$	\$	\$	\$	\$
Redemption Payables	-	63,654	-	-	-	63,654
Management fees payable	-	34,570	-	-	-	34,570
Performance fees payable	-	89,968	-	-	-	89,968
Distributions payable	-	1,258,260	-	-	-	1,258,260
Total liabilities	-	1,446,452	-	-	-	1,446,452

5. Investments in financial instruments

(a) Financial assets at fair value through profit or loss

	30 June 2024
	\$
Financial assets at fair value through profit or loss	
Investments in listed securities	16,642,231
Unlisted unit trusts	23,805,138
Total financial assets held at fair value through profit or loss	40,447,369

(b) Fair value hierarchy

Financial instruments carried at fair value are categorised under a three level hierarchy. Financial instruments are categorised based on the observable market inputs when estimating their fair value. If different levels of inputs are used to measure a financial instrument's fair value, the instrument's classification within the hierarchy is based on the lowest level of input that was significant to the fair value measurement.

5. Investments in financial instruments (continued)

(b) Fair value hierarchy (continued)

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or in directly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

Level 1:

Financial instruments are valued by reference to quoted prices in an active market(s) for identical assets or liabilities. These quoted prices represent actual and regularly occurring market transactions on an arm's length basis.

The fair value of financial instruments that are traded in an active market is determined using the last traded quoted price in an active market. As at 30 June 2024, the Fund had \$16,642,231 of financial assets held at fair value through profit or loss included in level 1.

Level 2:

Financial instruments are valued using inputs other than quoted prices covered in Level 1. These other inputs include quoted prices that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices). The inputs included in this level encompass quoted prices in active markets for similar assets or liabilities, quoted prices in markets in which there are few transactions for identical or similar assets or liabilities. Financial instruments that are valued using other inputs that are not quoted prices but are observable for the assets or liabilities also fall into this categorisation.

The fair value of financial instruments that are not traded in an active market (for example, unlisted investments) is determined using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. As at 30 June 2024, the Fund had \$23,805,138 of financial assets held at fair value through profit or loss in level 2.

Level 3:

Financial instruments that have been valued, in whole or in part, by using valuation techniques or models that are based on unobservable inputs that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Unobservable valuation inputs are determined based on the best information available, which might include the entity's own data, reflecting its assumptions as well as best practices carried out or undertaken by other market participants. These valuation techniques are used to the extent that observable inputs are not available.

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. As at 30 June 2024, the Fund had \$nil of financial assets held at fair value through profit or loss in level 3.

5. Investments in financial instruments (continued)

(b) Fair value hierarchy (continued)

The following table shows an analysis of financial instruments held at 30 June 2024 recorded at fair value and presented by level of the fair value hierarchy:

Under AASB 132 Financial Instruments: Presentation, puttable financial instruments meet the definition of a financial liability to be classified as equity where certain criteria are met. The fund shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the conditions set out in Note 2(c). the Fund's units are classified as equity as they meet the definition of a financial instrument to be classified as equity.

	30 June 2024			
	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
Financial assets				
Investments in Listed securities	16,642,231	-	-	16,642,231
Unlisted unit trusts	-	23,805,138	-	23,805,138
Total financial assets at fair value through profit or loss	16,642,231	23,805,138	-	40,447,369

Transfer between levels

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. There were no transfers between levels during the period ending 30 June 2024.

(c) Disclosed fair values

For all financial instruments other than those measured at fair value, their carrying value approximates fair value.

6. Net assets attributable to unitholders

Under AASB 132 Financial Instruments: Presentation, puttable financial instruments meet the definition of a financial liability to be classified as equity where certain criteria are met. The fund shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the condition set out in Note 3(l). The fund's units are classified as equity as they meet the definition of a financial instrument to be classified as equity.

Euree Multi Asset Growth Fund

Note to the financial statements

6. Net assets attributable to unitholders (continued)

Movements in the number of units and net assets attributable to unitholders during the period were as follows:

	Year ended 30 June 2024	
	No. of Units	\$
Opening Balance		
Applications	42,229,016	44,219,008
Redemptions	(2,650,741)	(2,874,780)
Distributions paid and payable	-	(1,303,952)
Reinvestment of distributions	253	263
Profit for the period	-	2,646,687
Closing balance as at 30 June 2024	39,578,528	42,687,226

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right in the underlying assets of the Fund.

There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

7. Other Receivable

	30 June 2024
	\$
GST receivable	7,503
Other receivable	913

Net proceeds from purchase and sale of financial assets held at fair value through profit or loss	(39,005,950)
Increase in receivables and other assets	(1,177,234)
Increase in payables and other liabilities	124,538
Other expenses	1,586
Net cash used in operating activities	(38,853,378)

Non-cash financing activities

During the year, the following distribution payments were satisfied by the issue of units under the distribution reinvestment plan

263

9. Management fee paid and payable

Management fees are the fees charged to manage and oversee the operation of the Fund. The Investment Manager charges a management fee of 0.95% per annum (inclusive of GST net of RITC) of the gross asset value of the Fund. The fee is calculated daily and payable monthly in arrears out of the assets of the Fund. The Investment Manager pays the expenses of the Fund (other than the extraordinary expenses) from the management fee. To the extent there is a shortfall to these expenses, they will be paid by the Investment Manager. Extraordinary expenses are paid from the Fund assets as and when incurred.

The following management fees were paid or payable out of the Fund's property during the financial period ended 30 June 2024:

- Management fees of \$196,324 were incurred during the year.
- Management fees payable at 30 June 2024 were \$34,570.

Euree Multi Asset Growth Fund

Note to the financial statements

10. Performance fee paid and payable

The Investment Manager charges a performance fee of 10.25% (inclusive of GST net of RITC) of the amount by which the Fund's performance exceeds the hurdle rate of 8% p.a., to be paid bi-annually in arrears. Any underperformance from a prior period must be recouped before a fee will be paid and subject to a High Water Mark for any past outperformance.

The following performance fees were paid or payable out of the Fund's property during the financial period ended 30 June 2024:

- Performance fees of \$123,992 were incurred during the year.
- Performance fees payable at 30 June 2024 were \$89,968.

11. Auditor's Remuneration

The auditor of the Fund is Ernst & Young. Auditor's remuneration for the year ended 30 June 2024 will be paid out of the Management Fee and to the extent there is a shortfall to these expenses, they will be paid by the Investment Manager.

	30 June 2024
	\$
Audit and other assurance services	
Audit and review of financial reports	15,000
Audit of compliance plan	5,000
Total remuneration for audit and other assurance services	20,000

The Fund has not made, guaranteed or secured, directly or indirectly, any loans to the key management personnel at any time during the period.

Euree Multi Asset Growth Fund

Note to the financial statements

12. Related party transactions (continued)

(d) Other fees paid to related and affiliated parties

The Responsible Entity has appointed third party service providers to the Fund, some of whom are related or affiliated parties of the Responsible Entity. The following entities, which are related or affiliated parties of the Responsible Entity, have provided services to the Fund during the financial period end 30 June 2024:

One Registry Services Pty Ltd (ACN 141 757 360) - Unit registry Services. Registry fees of \$11,032 were incurred for the period ended 30 June 2024 and \$2,691 payable at the end of the period.

OMIFL also acts as custodian for the Fund and receives a fee for doing so. Responsible Entity and custody fees of \$40,784 were incurred for the period ended 30 June 2024 and \$3,500 was payable at the end of the period.

Unity Fund Services Pty Ltd ("UFS"), an affiliated entity of OIG has been appointed for the provision of administration and tax services to the Fund. Fund administration fees of \$29,834 were incurred for the period ended 30 June 2024 and \$3,481 was payable at the end of the period.

None of the above has received any remuneration directly from the Fund in relation to these services and they are remunerated out of the Management Fee. To the extent there is a shortfall to these expenses, they will be paid by the Investment Manager.

(e) Related party unit holdings

Parties related to the Fund (including One Managed Investment Funds Limited, its related parties and other funds managed by One Managed Investment Funds Limited and the Investment Manager) did not hold units in the Fund

(f) Investments

The Fund held an investment in the following schemes which is issued by One Managed Investment Funds or its related parties during the period ended 30 June 2024

	Fair value of investment (\$)	Interest held %	Distributions earned (\$)	Distributions receivable (\$)	Units acquired during the year	Units disposed during the year
As at 30 June 2024						
Euree A-REIT Securities Fund	2,241,968	42.73%	110,728	94,632	1,978,667	-

The Fund has paid management fees totaling \$9,358 through the Fund's investment in the Euree A-REIT Securities Fund. The management fees paid includes the investment management fees, responsible entity fees, fund administration and registry fees.

13. Contingent Assets and Liabilities and Commitments

There are no contingent assets and liabilities and commitments as at 30 June 2024.

14. Subsequent Events

There has not been any matter or circumstance occurring subsequent to the end of the period that has materially affected, or may materially affect, the operations of the Fund, the results of those operations, or the state of affairs of the Fund in future financial years.

Independent Auditor's Report to the unitholders of Euree Multi-Asset Growth Fund

Opinion

We have audited the financial report of Euree Multi-Asset Growth Fund (the Fund), which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period from 16 August 2023 (commencement of operation) to 30 June 2024, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Fund is in accordance with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the Fund's financial position as at 30 June 2024 and of its financial performance for the period from 16 August 2023 (commencement of operation) to 30 June 2024; and
- b. Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial report and auditor's report thereon

The Directors of the One Managed Investment Funds Limited (Responsible Entity) are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The Directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors of the Responsible Entity are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors of the Responsible Entity.
- ▶ Conclude on the appropriateness of the Directors of the Responsible Entity of the Funds' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

**Building a better
working world**

We communicate with the Directors of the Responsible Entity regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
