The Fund assets which will be used to meet Redemption Requests received in response to this Withdrawal Offer are:

- Fund cash at bank

When these Fund assets are converted to money, the Responsible Entity expects to have the Withdrawal Amount available to satisfy Redemption Requests.

If Redemption Requests are received in excess of the Withdrawal Amount specified in this Withdrawal Offer, the requests are to be satisfied proportionately in accordance with the following formula:

$$\text{Amount of money available (i.e.,} \quad \text{X} \quad \frac{\text{Amount Member requested to withdraw}}{\text{Total of all amounts Members request to withdraw}}$$

Withdrawal Amount)

Any Redemption Requests that are not wholly satisfied due to a scale back will be treated as requests for withdrawal in the next limited withdrawal offer and processed under the terms of that offer unless the Member cancels the request prior to the close date of that offer.

Members can cancel the carry over amount of unsatisfied Redemption Requests by notifying the Responsible Entity or the Registrar on 02 8188 1510 of the cancellation at any time prior to the closing date of the next limited withdrawal offer.

Redemption amounts are intended to be paid on the Expected Payment Date but no later than 21 days after the Offer Close Date.

A Member must lodge its Redemption Request in response to this Withdrawal Offer on or before 5PM Sydney time on the Offer Close Date. Once submitted requests are irrevocable.

Nothing needs to be done if a Member wishes to remain in the Fund.

### **Important information**

Members wishing to withdraw some, or all, of their investment please note the following points:

- You can only lodge a Redemption Request after the Offer Date, and it must be received no later than 5.00pm (Sydney time) on the Offer Close Date.
- Your request will only be processed if we receive a completed Redemption Request, which is available on the Fund website.
- If we receive a completed Redemption Request after the Offer Close Date, we will not process the request.
- Do not submit a Redemption Request unless you are absolutely certain you wish to withdraw your investment, as the request cannot be withdrawn once accepted.
- We may not be able to redeem the full amount of units you request (refer to scale back process above).
- The withdrawal proceeds will only be paid via direct credit to your nominated Australian financial institution account generally on the Expected Payment Date but in any event within 21 days of the Offer Close Date. Cheque payments and third-party deposits are not available.
- Where you have specified a redemption amount in dollars instead of in number of units, we will determine the value of the units you have requested to withdraw by dividing the amount in dollars by the withdrawal price and rounding down to four decimal places.
- Requests will be processed using the ex-price calculated at the Offer Close Date.

### **Taxation**

There may be tax consequences from redeeming all or a part of your investment and we recommend that you obtain professional advice before deciding to submit a Redemption Request.
