## Valuations

The assets of the fund are held in cash and a sub trust which holds units that are backed by cash. Further information on the CDO investment is provided below.

A summary of the status of the underlying investments on a look-through basis is provided below.

Investment	Description	Status
<b>Babcock &amp; Brown CDO Investments Pty Ltd</b>	Investment in the Babcock & Brown CDO Investment Fund.	<p>The value of the Babcock &amp; Brown CDO Investment Fund ("CDO Fund") is tied to the value of its key remaining investment in the A1 notes of the Euler CDO ("Euler"). The Euler portfolio has a portfolio of assets consisting of 2 sub asset classes: US Residential Mortgage Backed Securities ("RMBS") and Inner CDOs.</p> <p>The prospects of the CDO Fund diminished greatly over the period as a result of a payment default within Euler leading to cashflow lockup. This in turn has led to insufficient cashflow to meet CDO Fund senior expenses and an anticipated insolvency event of default at the CDO Fund level.</p> <p>As such we have maintained the value of the investment at zero.</p>
