

## **Continuous Disclosure Notice and Statement to update PDS Information 6<sup>th</sup> February 2018**

### **Accepting BPay ‘top-up’ applications from existing investors in the Lakehouse Global Growth Fund (ARSN 615 899 367)**

One Managed Investment Funds Limited (**OMIFL**) in its role as Responsible Entity of the Lakehouse Global Growth Fund, ARSN 621 899 367 (**Fund**), announces that existing investors in the Fund may top-up their investment by simply making a BPay transfer.

Under the Product Disclosure Statement for the Fund, including the Additional Information Booklet, each dated 11 December 2017 (together **PDS**), the PDS provides a mechanism for Unitholders to invest in additional Units in the Fund. In addition to the method described in the PDS, OMIFL will permit existing investors who made their first investment using BPay to top-up their holdings by a BPay transfer.

By paying by BPay, using the BPay reference provided to you, you will be deemed to confirm nothing has changed to the original AML / CTF material you provided the Responsible Entity at the time of your initial application. If this is not the case, you will need to complete the additional investment form and attach the changed KYC verification material to the additional investment form.

The additional investment form can be found on our website at:

[www.oneinvestment.com.au/Lakehouse](http://www.oneinvestment.com.au/Lakehouse)

OMIFL has taken this decision following discussions with the investment manager, Lakehouse Capital Pty Ltd (ACN 614 957 603) (**Lakehouse**) and does not consider

providing existing investors a simpler way to top up their investment to be materially adverse from the point of view of an investor.

### **New investors**

The Fund is now open to new investors. The PDS, AIB, application form and other information on the Fund can be found on our website at:

### **Why was the decision taken?**

Lakehouse, and OMIFL saw that it was possible to reduce the friction for existing investors in the Fund. Where possible within Australian regulation, Lakehouse and OMIFL will continue to make the process of investing and redeeming investments in the Fund smoother.
