

As an existing Lakehouse Global Growth investor you are able to make additional payments to top-up your investment in the Fund at any time.

Existing investors who add to their investment via BPAY (using their investor profile ID number as the reference) do NOT need to fill out an application form.

To add to your investment simply BPAY the payment and Registry will confirm additional units in the Fund. No further action is required.

The details:

- 1. Lakehouse Global Growth Fund **biller code: 276428**
- 2. The BPAY customer reference number (CRN) will be your **investor profile ID** number
 - o It's an 8 or 9-digit number starting with "201" and located in the top right corner of your monthly market value statement. (see image below)

Note: the above process does assume that there are no changes to your original application, including the beneficial owner. The below paragraph spells out the exact legal requirements:

By paying by BPay using the BPay reference provided to you, you will be deemed to confirm nothing has changed to the original AML / CTF material you provided the Responsible Entity at the time of your initial application. If this is not the case, you will need to complete the additional investment form and attach the changed KYC verification material to the additional investment form.

For your convenience when topping up your investments, we've compiled this handy guide of quick links and FAQs. A timely reminder that before adding to your investment, please read the [Product Disclosure Statement](#).
