Dear Investor,

### **Application Process Update**

The impact of Coronavirus (**COVID-19**) on global business has been profound. It has meant all businesses have needed to adapt the way they provide their services. At the One Investment Group we are changing the way Investors can provide applications requests during this COVID-19 period.

### **Changed procedures**

The majority of our application procedures remain unchanged and you should refer to the information set out in the relevant form as to our requirements. One process we are changing is we are now accepting scanned and faxed Application Forms where they meet the following requirements:

### **Applications:**

- All sections of the attached Investor Application Form are complete and legible
- The Application Form is signed where required
- The certified KYC documents required by the Application Form are provided and in legible form (including the certification itself)
- The Application Moneys are paid in full to the specified applications account
- The duly completed Application Form (together with any certified KYC documents) are sent to the email or fax provided below.

### **Email and Fax details**

**Email:**Info@oneregistryservices.com.au

**Fax:**+61 2 8580 5700

### **Protecting you from fraudulent activity**

If you have changed your bank account from the account nominated in your application form, it is advisable to provide us your updated information (using our usual procedure).

We will never agree to pay the proceeds to a bank account not in the name of the investment holder.

Our registry provider may call you to confirm the validity of your Request.
